Virtual Workshop Series

"Parenting in a Pandemic" - Virtual Seminar with Florence Sturm (Certified Parent Educator)
Tuesday, September 29th at 7:30 via Zoom

Parents everywhere are struggling with how to guide their families through the current COVID-19 pandemic and the changes that it has brought to their lives. But, there are many strategies that we can employ to help our children (and ourselves!) through this challenging time. Please join Certified Parent Educator Florence Sturm for an informative and encouraging virtual parenting seminar in which she'll explore strategies for managing our new normal -- and even help us to find some silver linings!

Parents will have the opportunity to submit questions during registration or in real time after her presentation. This program is primarily geared toward children between the ages of 4-10.

Tickets: $25

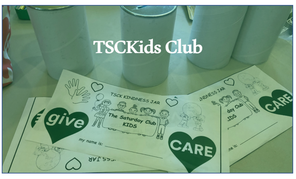
COMMUNITY OUTREACH

Missed Your Chance to Sign Up for 'Off Their Plate' But Want to Learn More?

Off Their Plate operates in 9 major cities, including Philadelphia and their mission is focused on supporting frontline workers who come from and serve the communities most impacted by COVID-19. They also work to feed as many food insecure populations as they can with additional funding they receive from their donors. All donations made to Off Their Plate go directly to their local restaurant partners and every $100 donated provides 10 meals to healthcare workers or people experiencing hunger while also restoring 3 shift hours to the local economy. Learn more about the amazing work they're doing on their website! For those who have signed up for the Off Their Plate service project, event chair, Stephanie Harris has emailed all volunteers after last week's membership meeting with full details about the upcoming (support-from-home) project. Please check your email!



Last Chance to Register Your Kids for TSCKids!

Our TSCKids chairs, Megan Lofgren & Tara Donnelly, have been working hard to prepare this year's 'welcome' bags for all children participating in TSCKids. We are so excited for another amazing season where our members' children learn more about community service and spreading a message of kindness and compassion towards others.

Please register your child(ren) for this Club season to participate. (Note: You will be prompted to enter your email address, but once you do that, it will bring you to the form.) For all registered kids: **Pick-up day for the TSCKids 'welcome' bags will be on 9/16 from 3pm - 7pm on the steps of The Saturday Club (17 W. Wayne Ave).** A large bin will be at the top of the clubhouse steps with labeled bags (by child's full name). If you cannot make this pick-up day window of time, please email the chairs to coordinate another time for you to collect your family's bags.
